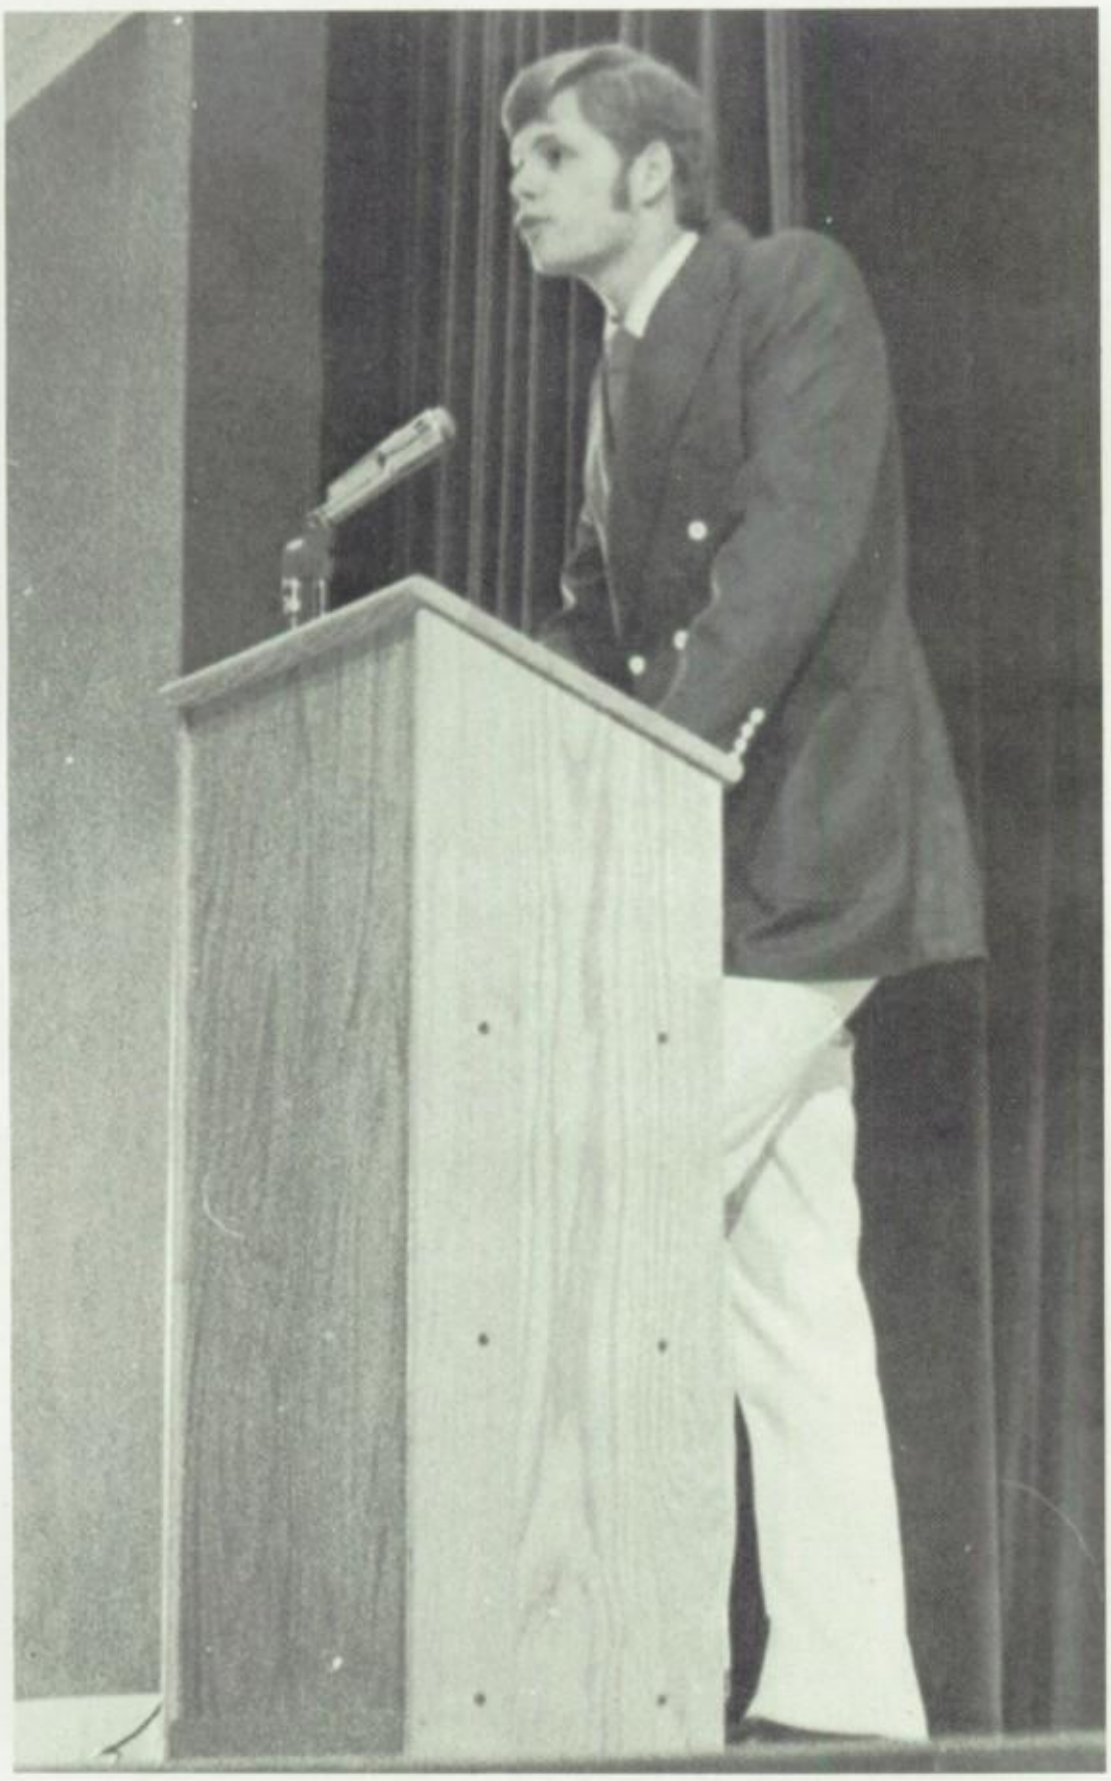
Smile? How's this??



And if elected, I promise to abolish the N. J. R. O. T. C. ...

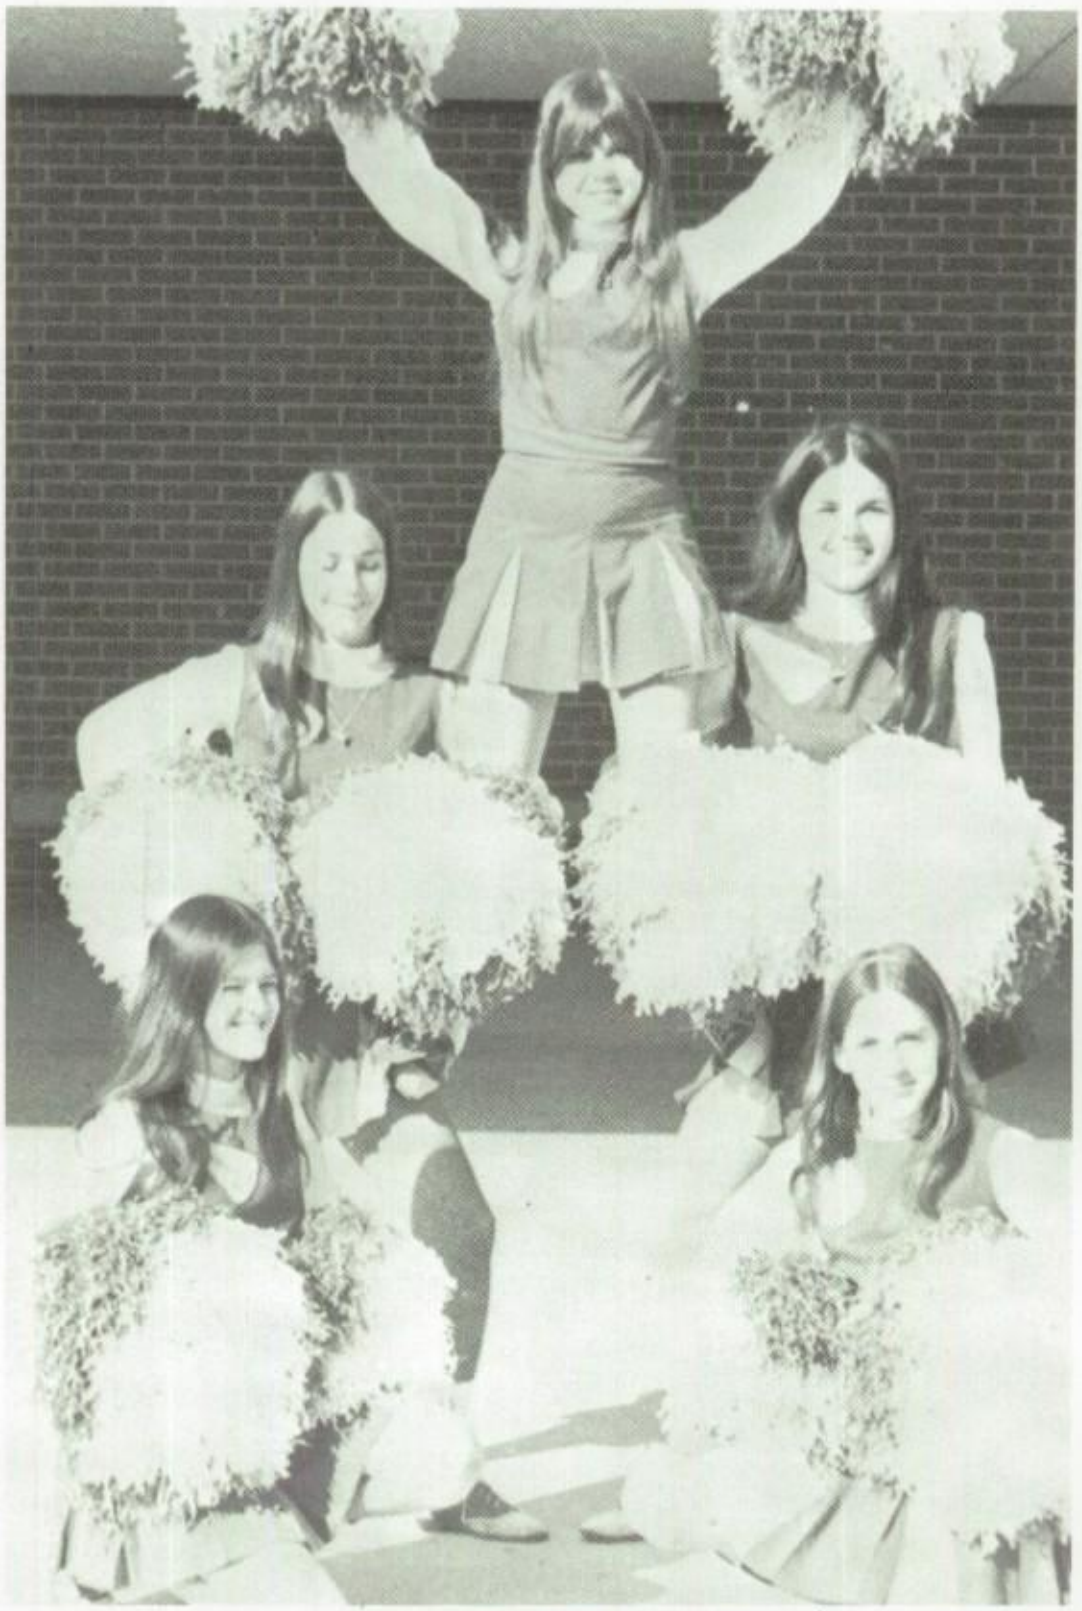
Then you add just a pinch of . . .



How do you say "S. O. S." again?

Yes, the Northwest National Bank is a dynamic, aggressive, growing bank - just perfect for the new frontiers being opened up to you in the dynamic, aggressive, growing part of Northwest Houston.
And, to prove a point, the Northwest National Bank is featuring a new checking account with no service! That's right. You can write all of the checks you want with no service charge. All you have to do is maintain a $500 average monthly balance in your checking account - or not let your checking account balance fall below $250 during the month. Either way, there will be no service charge to your account - no matter how many checks you write during the month.

And remember, what your banking needs - EXPLORE THE GREAT NORTHWEST! The Northwest National Bankers will cut right through the red tape and give you a straight answer - right now!
